

Additional Information

The Benefits of Swimming

Psychological - Swimming is a great way of alleviating stress. Mastering a new skill can result in a great sense of achievement and satisfaction. Try a Wellbeing session.

Physical - Swimming can improve strength, stamina and suppleness. Regular exercise can help to improve fitness and enable the body to work more efficiently. Try an Active session.

Rehabilitating - Swimming allows muscles to be exercised against the resistance of the water, helping to maintain fitness and mobility. Try a Wellbeing session.

Social - Swimming is a good way to meet new friends and is an activity the whole family can participate in. Try a Social or Family session.

Safety - Being able to swim and perform simple personal survival skills are valuable life skills. Try Swim School or a Social session.

Access to other water based activities - The ability to swim facilitates access to other water-based activities such as sailing, water skiing, canoeing, and surfboarding with a degree of safety and confidence.
