

Come and work in sports and leisure

We need Lifeguard to work at Park Pool. So if you like sport, fitness, and helping people young and old, we want to hear from you. This is a job with a future, so get moving and apply!

Job Purpose

Lifeguard's help out in all areas of the site, from the swimming pool to less watery activities. Your job will be varied and we'll help you progress with training and guidance from experienced sports and leisure professionals.

Duties to Include:

- Check on our swimming pools to make sure customers are safe
- Provide supervision of dry-side activities
- Set up equipment for various sports/exercise activities
- Do some cleaning when it's needed
- Check customers are using the site properly

Experience, Skills and Knowledge:

Within the centre you'll be getting hands on practical experience in all the different aspects of working within a leisure environment. Working with the centre staff you'll participate in club promotional events and generate sales leads, conduct gym tours and maintain a post-sale rapport with members. You will be dealing with members face to face and helping with enquiries. Previous experience in a gym, sales or customer interfacing role would be advantageous but comprehensive training can be given to those with natural enthusiasm and a passion for the industry. Applicants must be self-motivated and target-driven yet able to work within a supportive team environment and possess a "can-do" attitude. This is an Apprenticeship position working towards the NVQ level 2 you'll be working 37 hours per week on a shift rota.

If this is your IDEAL role, you can apply for this role at
